

## New Product in UK – Artisan Solid Bamboo Flooring from Urbane Living

### IMMEDIATE RELEASE

London, Feb 8, 2008 - Urbane Living, UK's leading supplier of eco interiors, introduced the industry's first sustainable [handscraped bamboo flooring](#). The company's Artisan range will feature the warm natural earthy tones of Lombok (Walnut) and Shanghai (Cherry) colours.

"This unique range provides a floorscape of texture that creates a rich aesthetic. The planks are individually and artfully handscraped by craftsmen so no two planks are exactly the same. The authentic distressed look will add character and a sense of timelessness to any interior space." said Stephanie Goh, co-founder of Urbane Living.

Available in long wide planks at 1920 x 127 x 15mm, Artisan range compliments 12 other bamboo flooring products stocked within the UK offering the widest choice available in the UK for next day delivery. Urbane Living provide trade discounts to retailers in the UK.
